Sporting Some Spunk

Easily add nail art to your services with the CinaPro Nail Creations Nail Art Pens, but only after you indulge your senses with the Essie Cosmetics Ejuvenate System.

Dots, stripes, swirls, hearts or a simple French tip—anything goes with the CinaPro Nail Creations Nail Art Pens. Available in pink, purple, red, black, white and silver, these convenient pens are sure to put some pizzazz into your manicures. They're also a great retail item for clients because they're so easy to use! **For more information on CinaPro, use FreeInfo #200, call 800.762.6245 or log on to cinapro.com.**

Hands are the first things to show age, so it's only natural that your clients will love turning back the *hands* of time with the Essie Cosmetics Ejuvenate System. The system helps slow the signs of aging with milky Hydro-Therapy Hand Revitalizer, exfoliating Microdermabrasion Hand Refiner, firming Advanced Radiance Hand Treatment and moisturizing Intensive Recovery Hand Cream.

CinaPro Nail Creations Nail Art Pens

1 Clean all debris from the nail with cleanser. Apply base coat and let it dry. Then paint the entire nail with the black Nail Art Pen.

2 Carefully draw a curvy line down the center of the nail with the purple Nail Art Pen.

3 Add two curvy lines on each side of the purple line with the silver Nail Art Pen.

4 Let the design dry and finish with top coat.
