## All Season Professional Gives the Scoop on the Hottest Trends in Nail Art!

*Create your own custom nail art designs with ASP ASPIRE & CINA*

Valencia, CA – January 2, 2012

All Season Professional Aspire line gives you the scoop to create dimensional and fun nail art masterpieces. ASP ASPIRE created a system that is so simple that you can create beautiful nails with no sculpting required! The ASP ASPIRE Wrap Kit is an easy-to-use kit with two options of material: silk or fiberglass. Silk wraps are great for natural looking nails, while fiberglass is strong and great for extending the nail (perfect for pink and whites). The Wrap Kit makes for a perfect base before polishing, giving the foundation to a great set of nails. After the silk wraps are applied to the natural nail and set to dry, add on your favorite polish color using a monochromatic color range on the nails. The hottest trend in nail fashion right now is to wear a different tones of a polish colors on each finger. The style idea behind this is to create a different look for each nail yet making it into one cohesive fashionable set!

After the polish is fully dried, apply the Cina Nail Creations Top Coat and Bonder (working one nail at a time) apply some dazzles to each nail rotating between Cina's Pink Cosmo Kit and Ice Princess Nail Art. The Pink Cosmo kit is fully stocked with 10 different dazzle styles: Iridescent Red Circles, Iridescent White Circles, Iridescent Red Hearts, Pink Hearts, Peach Stars, Iridescent Periwinkle Tear Drops, Peach Stars, Magenta Stars, Yellow Beads, Pink Beads. The Ice Princess Kit includes 180 rhinestones in multiple colors: Crystal Rhinestone Circles, Purple Flowers, Orange Tear Drops, Magenta Flowers, Pink Tear Drops, Blue Circles, Blue Ovals, Crystal Flowers, Rose Rhinestone Circles, Red Flowers, Green Tear Drops, Magenta Hearts. Both kit are ready for thousands of different nail styles, the possibilities are endless!
