## NAIL ART: THE LATEST FASHION MUST-HAVE

Dress Up Your Nails for Any Occasion With Cina Nail Art Pens!

Valencia, CA – March 15, 2012

Paparazzi swarm the red carpet and roam famous hotspots for exclusive celebrity sightings, zeroing in on fashion choices, right down to the fingertips. The media has caught on to one very important, trending fashion accessory: nail art.

Thankfully, creating unique, intricate nail art designs is easy with Cina Nail Art Pens. The pens are ready to use straight out of the box, complete with simple step-by-step instructions and nail art ideas to offer some inspiration to get you started. So shake up the traditional French tip with attention-grabbing color. Animate dull nails with multi-colored polka dots and a frenzy of flowers. Your creativity is limitless, so let your imagination run wild with Cina Nail Art Pens!

The easy-to-use pens feature an ultra-thin nib to achieve flawless detail with maximum precision. The water-based formula is cleverly mistake-proof. Simply correct your design with a moist cotton swab without compromising your dried polish. Fashionistas won't miss a beat with fast-drying, custom nail art! Just seal your work of art with Cina's High Shine Top Coat and Bonder for lasting results.

Keep the fashion trends at your fingertips with dazzling designs. With Cina Nail Art Pens, you can create countless professional nail art designs with stunning colors, including White, Black, Pink, and Purple. Visit your local Sally Beauty store for a quick purchase and accessorize your nails with the latest fashion must-have!
